SAFETY FIRST

Participation in this league requires strict adherence to target shooting safety practices. Shooting line rules and etiquette will be explained by the volunteers assisting in running the league. If participants do not follow the safety rules they will be asked to step off the line and will not be allowed to return until the rule(s) they were not following are again explained to them in a way they can understand. If a child continues unsafe or disruptive behavior, they will not be allowed to continue shooting that day. Parents and volunteers will work together to resolve the issue prior to the child being able to continue to participate.

LIABILITY WAIVER:

The undersigned states that they know there are inherent risks involved in the sport of target archery. They acknowledge that they and their children are here of their own free will and understand risks can include physical injury to them and others. By signing this contract they acknowledge and hereby release the Chilakoot Bowhunters club (CB) it's officers, board members and volunteers from any claims and causes of loss relating to participation in any target archery activity.

They also acknowledge that they are solely responsible for any damage caused by their activities or participation in the archery league, and release CB, it's officers, board members and volunteers from any claims, and causes of loss for any possible damage claims for personal property or injury.

I hereby give permission to CB to call for emergency care for me or my children if either are injured during any league activity, and will not hold CB responsible for any medical bills sustained from any such care received.
